Specification Change on DPF-200 Depaneling System

**Part No:**  
DPF-200-E

**Specification:**

**Comments:**

Starting from serial number 00000604, the DPF-200 depaneling system will come equipped with an improved air regulating and lubricating system. The new system is designed to further control the lubrication oil feed rate even under heavy usage. This change will not affect the performance and other specification of DPF-200.
