## PRODUCT BULLETIN

**Bulletin No:** PB169

**Issue Date:** May 9, 2003

**Product:**

472D Desoldering Station with 817 gun

**Part No:**

472D-02

**Specification:**

|                              |  |
|------------------------------|--|
| Station                      | Hakko 472D                                   |
| Power Consumption            | 120V AC, 110W                                |
| Vacuum Pressure              | 80 kPa (600 mmHg) (24 in. Hg)                |
| Suction Flow                 | 15 l/min.                                    |
| Nozzle to ground potential   | Under 2 mV                                   |
| Nozzle to ground resistance  | Less than 2?                                 |
| Weight                       | Approx. 4.6 kg (10.13 lb.)                   |
| Outer Dimensions (l x w x h) | 263 x 160 x 148 mm<br>(10.4 x 6.3 x 5.8 in.) |

**Comments:**

The 472D desoldering tool provides digital desoldering and process control. The Hakko 472D comes with a control card. When the card is removed all parameter and temperature settings are locked into the system memory. The Hakko 472D-02 provides gun-style desoldering with powerful, self-contained, suction power. See PB162 for details on the 817 desoldering gun.

**Contents/Accessories:**

|                 |                                      |        |   |
|-----------------|--------------------------------------|--------|---|
| B1087           | Nozzle cleaning pin 1.0 mm           | B2388  | Control card                              |
| B1215           | Heating element cleaning pin         | 817-01 | Desoldering gun                           |
| A1030 (10 pcs.) | Spring filter /3 pcs.                | B2073  | Filter pipe with front holder and filters |
| A1033 (10 pcs.) | Ceramic paper filter (Large) /4 pcs. | B2832  | Iron holder for 817 gun                   |
| A1009 (10 pcs.) | Ceramic paper filter (Small) /2 pcs. | n/a    | Station                                   |

Iron holder 634-06 is available as a stand alone holder. See PB167.

**Available:**

January 15, 2003
