PRODUCT BULLETIN

Bulletin No: PB246

Issue Date: July 24, 2006

Product:

FT-800 Thermal Wire Stripper

Part No:

FT800-01

Specification:

SPECIFICATION CHANGE

Station includes Power Save mode switch

Station does not include blades

Comments:

A switch has been added to disable the Power Save mode. With Power Save disabled the blades will remain at working temperature when placed in the handpiece holder. When Power Save is enabled the working temperature will be reduced by approximately 50% when the handpiece is placed in the holder. Blade life will be reduced if the station is used continuously with Power Save disabled.

Note:

After the effective date the FT-800 Thermal Wire Stripper will no longer include blades. Blades must be purchased separately.

Accessories:

Part No.	Description
G1-1601	Blade, 18-28 AWG
G1-1602	Blade, Straight

Available:

August 8, 2006

List Price:

FT800-01 \$299.97
