PRODUCT BULLETIN

Bulletin No: PB309

Issue Date: 5-31-2011

Effective Date: 5-31-2011

Product Description:

Hakko HJ3100 Fume Extraction System

Part No:

HJ3100; HJ3100-xx

Specification:

DISCONTINUED

Comments:

The Hakko HJ3100 Fume Extraction System has been discontinued. The Hakko FA-430 Fume Extraction System is the recommended replacement. Replacement parts for the Hakko HJ3100 will still be available only until the present parts supply is exhausted.

IMPORTANT: Customers looking for replacement filters for their existing Hakko HJ3100 Fume Extraction Systems should order the following item numbers:

- A1585 – Prefilter, Pack of 10
- A1586 – Main Filter

Using the FA-430 Main Filter with your Hakko HJ3100 will provide equivalent filtration efficiency with an increase in airflow performance

NOTE: To properly use the A1586 Main Filter in a Hakko HJ3100 Fume Extraction System, be sure to register online at www.HakkoUSA.com/forms/adaptor to receive your **FREE** filter adapter frame (PN: 999-241). The filter adapter frame is a simple drop-in support frame for use with the Hakko HJ3100 and A1586 Main Filter.
