Effective: 7-25-2011

Product Description:

Hakko HJ3100 Silencer

Part No:

999-210

Specification:

DISCONTINUED

Comments:

With the discontinuation of the Hakko HJ3100 (See PB309), market demand for the silencer for the HJ3100 has all but disappeared. The introduction of the Hakko FA-430 Fume Extraction System (See PB308) has cancelled the need for silencers due to the low noise design of the unit.

As a result, the HJ3100 silencer is discontinued. There is no direct replacement for this item.
